

## Things we'd buy

— The city's most coveted

The Danes know a thing or two about good design and while you might not be able to squeeze a Hans Wegner chair or a Finn Juhl sideboard into your suitcase, there are plenty of bite-sized iconic products to take away.

*Hygge*-up your home with a selection of Menu's minimal homeware and Ditte Fischer's ceramics, or perhaps a Flensted mobile to remind you of this herring-loving country. A pair of sturdy trainers by Legends and a weatherproof jacket by Rains will both combat the city's often inclement climate and keep you looking sharp.

Finally, don't leave without stuffing the pockets of your new mac with the Danes' sweet treat of choice: salt and caramel chocolate-coated Lakrids liquorice, anyone?
